### ALLEGED VIOLATIONS

The information provided in the previous petition, filed as docket entry No. 157, has been amended as follows:

Violation No. 1 - has been amended to include the disposition of the law violation.

The probation officer believes that the offender has violated the following condition(s) of supervision:

Violation No.    Nature of Noncompliance

1.

**The defendant shall not commit another federal, state, or local crime:**

On April 12, 2012, Mr. Cohen was arrested in Fresno, California, and charged with Distribution of a Controlled Substance. This defendant is charged with violation of 21 U.S.C. Section 841 and 18 U.S.C. Section 2 in the Middle District of Tennessee.

The complaint indicates that in or around February to April 2012, Mr. Cohen was sending marijuana and Roxycodone pills via United Parcel Service and Federal Express from California to a source in Cookeville, Tennessee. In return, Mr. Cohen was receiving money for the shipped controlled substances.

**On September 24, 2012, the defendant pled guilty to one count of Conspiracy to Distribute and to Possess with Intent to Distribute Oxycodone. Mr. Cohen is scheduled to be sentenced in U.S. District Court, Middle Tennessee, Nashville, on December 21, 2012.**

**Compliance with Supervision Conditions and Prior Interventions:**

Mr. Cohen has been on supervised release for just over 2 years. He was initially supervised in the Middle District of Tennessee as he lived with his mother, wife, and children in Spring Hill, Tennessee. Mr. Cohen struggled with finding employment and then started his own remodeling business that failed to bring in much business.

The Court was made aware of the Mr. Cohen's possible domestic abuse against his then pregnant wife in September 2010. However, there was not enough information to substantiate the abuse and Mr. Cohen was continued on supervision. He was assessed for both substance abuse and mental health issues and no treatment was recommended.

In August 2011, Mr. Cohen relocated to the Eastern District of California, in Fresno, California, to be closer to his and his wife's extended families and he had a job offer with JL Homes and Investments, remodeling rental property. As a result, his supervision was transferred to the Eastern District of California. Mr. Cohen appeared to be compliant with the terms of his supervision while in California.

**Update of Offender Characteristics:**

Mr. Cohen remains in federal detention at this time on the pending charge. He appeared on April 18, 2012 in the Eastern District of California and was ordered detained and transferred to the Middle District of Tennessee. **Mr. Cohen was ordered detained in the Middle District of Tennessee and is awaiting sentencing, after having recently pled guilty to a new charge.**

**U.S. Probation Officer Recommendation:**

It is respectfully requested that the additional violation information be considered at Mr. Cohen's upcoming revocation hearing. The U.S. Attorney's Office has been advised of this additional violation information.
